

Volunteering Opportunity at Turning Point Academy (TPA)

Registered Charity Number 1150947

CRÈCHE ASSISTANT

Dear Potential Volunteer,

Would you like to take advantage of an amazing and rewarding opportunity? Then come along and volunteer at the Turning Point Academy crèche! TPA is a charity for women who have converted to Islam and non-Muslim women who are interested in learning about Islam. Students learn the basics of prayer, how to read the Qur'an in Arabic and how to build on their Muslim character. Whilst students learn, you can take care of their little ones and give the mothers a chance to focus, allowing them to learn in peace.

TPA's crèche facility in Mitcham currently has vacancies for female crèche volunteers regardless of religious background. The busy and professional open plan crèche is managed and run by the **Merton Pre-School Alliance**, which is Ofsted regulated and will support volunteers at all times.

WHEN: The crèche runs 10 sessions each term on Fridays from 10.15am-2.15pm (term-time only)

WHERE: Mitcham, Surrey

TRAVEL COSTS: Volunteers may be reimbursed for their travel fare, but this must be agreed with TPA management at the first meeting.

YOUR REFERENCE: You will be asked for a personal or professional reference prior to recruitment.

OUR REFERENCE: Volunteers may obtain a reference from the crèche providers after the completion of 30 hours of placement; this should be discussed with crèche management directly.

If you are interested in volunteering at the TPA crèche or for further information, please use the contact form on the website selecting 'Crèche Volunteering' as the subject. We will get back to you as soon as possible. Thank You.
