### Evening Catering Volunteer

Want an amazing opportunity to reap rewards fee-sabeelillah? Then extend your hospitality by providing a simple cooked meal for students at Turning Point Academy! TPA is a charity for women who have converted to Islam and non-Muslim women who are interested in learning about Islam. Students learn the basics of prayer, how to read Qur'an and how to build on their Muslim character. Many students travel directly from their work places as they strive to gain knowledge. TPA Tooting branch has opportunities for fortunate individuals to join the evening food rota. You can cook for 50 students or for 25 students. If you choose the latter, another volunteer will cook for 25 students too on the same day.

FREQUENCY: You can choose to contribute either:  
Once a year OR Three times a year (every 4 months)

WHEN & WHERE: Friday evenings at 7.30pm in Tooting

PACKAGING: TPA will provide 50 individual containers for the meals to be packed in.

MENU: The choice of food is dependent on your cuisine; all food is greatly appreciated. Please note that the meal should not be spicy and not visibly oily.

TRANSPORT: We would be grateful if you could deliver the food to the venue, however if this is not possible we will try to arrange transportation.

COST: If you would love to cook for us but do not have the financial means to do so, we will consider reimbursing the full or partial cost of ingredients. Please discuss this with TPA management.

SPONSOR: If you would love to extend your hospitality but are unable to cook for us, you may sponsor a meal at £3 per head (£150). Please discuss this option with TPA management.

Jazakallah Khair for your kind consideration. We look forward to hearing from you soon. Please use the contact form on the website selecting 'Catering Volunteering' as the subject. We will get back to you as soon as possible Insha-Allah.
